Enter to Win at
Heraeus Kulzer
booth
#2000

OR

cara® Scan 4.0i

State-of-the-art precision for a perfect fit of indirect
restorations. How?

1. You don't have to change your impression taking process.
2. You can digitize traditional impressions right in your dental office.
3. Easy 1-2-3 Process: Take an impression, scan it and send!
4. Compact Design – touch screen integrated into scanner – no keyboard, monitor or mouse needed!

STOP BY ANYTIME!

\$3,000 Product makeover includes trusted Heraeus Kulzer brands like...
Venus • iBond • Gluma • Flexitime • Xantasil • Pala • Modern Materials
