## Who We Are

As one of the world's leading dental companies, Kulzer has been a reliable partner for all dental professionals for over more than 80 years. Whether aesthetic or digital dentistry, tooth preservation, prosthetics, or periodontology – Kulzer stands for trusted and innovative dental products. With optimal solutions and services, Kulzer aims to support its customers in restoring their patients' oral health in a safe, simple, and efficient way. For this purpose, 1500 employees work in 26 locations in the field of research, manufacturing, and marketing.

Kulzer, headquartered in Hanau, Germany, with their North American offices located in South Bend, Indiana, is part of the Mitsui Chemicals Group. The Japanese Mitsui Chemicals Inc. (MCI) based in Tokyo owns 131 affiliates with more than 13,400 employees in 27 countries. Its innovative and functional chemical products are as much in demand in the automotive, electronics and packaging industries as in environmental protection and healthcare.

Both a medium-sized company and part of a major international corporation, Kulzer combines the best of both worlds, with reliable jobs, diverse tasks, and exciting creative freedom.
