

KULZER
MITSUI CHEMICALS GROUP

MAINTENANCE TECHNICIAN

JOB DESCRIPTION

Job Title: Maintenance Technician

Department: Maintenance

Reports To: Operations Manager

Prepared By: Human Resources

Status: Non-Exempt

Date: 5/2024

Position Summary

Kulzer, one of the world's leading dental companies for over 80 years, is looking for an experienced **Maintenance Technician** to join our Operations department. In the role of **Maintenance Technician**, you will be responsible for corrective and preventive maintenance, and repair of production and facility equipment, and will perform mechanical skills, including but not limited to mechanical, electrical, pneumatic, hydraulic, and HVAC.

What We Are Looking For

Must be knowledgeable in all ten (10) of our Maintenance Skill Elements (identified below) and requires the expertise of a seasoned trades professional with competent, sound decision-making ability, many times working with minimal to no supervision.

- Ability to create parts drawings in AutoCAD or other software platforms.
- Must be proficient in the use of a variety of hand and power tools including, but not limited to drills, saws, brakes, presses, ironworker, welding equipment, cutting torch, plasma cutter, and digital volt meters.
- Responsible for effectively working on single-phase and three-phase AC-powered systems up to 480V; and DC power systems up to 180V.
- Responsible to be familiar with man-lifting equipment, such as scissor lifts, forklifts, man-lift baskets, and boom-style lifts.
- Knowledgeable in all 10 Maintenance Skill Elements which include: HVAC, steam operation, electrical, plumbing, carpentry, machinery repair, cutting/welding, tool-die repair, drafting, and programmable logic controls (PLCs).

For additional information about this and other roles and their requirements, please visit <https://www.kulzerus.com/en-us/en-us/company/career/career.html>.

- Sign-on bonus of \$5,000
- Premium benefits package including health, dental, vision, and supplemental insurance plans.
- Health savings account
- 401k with 100% company match of up to 5% of your pay.
- Excellent paid time off
- 10 paid holidays
- Medical opt-out benefit.
- Company-paid long-term disability, short-term disability, and life insurance.
- Tuition reimbursement program
- Paid Training
- Wellness Program including employee assistance program, gym reimbursement, and more!
- Referral bonus program

Who We Are

As one of the world's leading dental companies, Kulzer has been a reliable partner for all dental professionals for over more than 80 years. Whether aesthetic or digital dentistry, tooth preservation, prosthetics, or periodontology – Kulzer stands for trusted and innovative dental products. With optimal solutions and services, Kulzer aims to support its customers in restoring their patients' oral health in a safe, simple, and efficient way. For this purpose, 1500 employees work in 26 locations in the field of research, manufacturing, and marketing.

Kulzer, headquartered in Hanau, Germany, with their North American offices located in South Bend, Indiana, is part of the Mitsui Chemicals Group. The Japanese Mitsui Chemicals Inc. (MCI) based in Tokyo owns 131 affiliates with more than 13,400 employees in 27 countries. Its innovative and functional chemical products are as much in demand in the automotive, electronics, and packaging industries as in environmental protection and healthcare.

Both a medium-sized company and part of a major international corporation, Kulzer combines the best of both worlds, with reliable jobs, diverse tasks, and exciting creative freedom.

If your goal is to work for a company that provides a great work-life balance, exceptional benefits package, and great pay please submit your resume and salary requirements today to: hr-department-kna@kulzer-dental.com.

We are an Equal Opportunity Employer.
